## **ADVERTISEMENT FOR BIDS**

Sealed bids for a **Lump Sum** subcontract are invited from prequalified **Electric Traction Elevators** subcontractors (hereinafter "Subcontractors") for the following work:

UCLA 10995 Le Conte Apartments  
Project Number 946258.01

### **PREQUALIFICATION REQUIREMENTS:**

On **April 12, 2019**, prequalification documents will be available to intending subcontractor bidders online at [www.smartbidnet.com](http://www.smartbidnet.com) (each bidder must contact PCL Construction Services, Inc. to obtain access to view and download the prequalification documents). Subcontractors who hold a **C11** license and who have already successfully prequalified with PCL Construction Services, Inc. are not required to resubmit prequalifications. All other subcontractors shall submit their prequalification to Kelsey Lew, at 323-419-2931 or [KelseyLew@pcl.com](mailto:KelseyLew@pcl.com). Prequalification documents are to be submitted no later than **Tuesday, April 16, 2019 at 2:00 PM**. Only subcontractors who successfully prequalify will be allowed to submit a bid.

There will be no prequalification conference for this bid package.

As part of the prequalification, Subcontractor shall acknowledge that PCL Construction Services, Inc. has signatory agreements with the carpenters, laborers, and cement masons.

### **DESCRIPTION OF WORK:**

General Description: This project is a new housing development at 10995 Le Conte Avenue. This Project shall accommodate up to 1,159 upper-division undergraduate beds in apartment units. The unit types shall be a combination of one-, two-, three- and four-bedroom apartments, with the majority of them 2 Bedrooms/6 Beds. Student support space shall include common study, meeting, mailroom and laundry facilities. The existing UNEX building, a 95,000-gsf office and classroom building built in 1971, shall be demolished to make room for the new development. The development shall consist of a single building with heights varying from 9 to 17 stories. The building shall total to approximately 302,000 gsf and be Type-I high-rise construction. The Project shall comply with the University of California Policy on Sustainable Practices and achieve a minimum LEED – NC Silver and target to achieve a LEED – NC Gold Certification rating.

The Anticipated Prime Contract Value is \$160,000,000.00.

The University has bid and awarded a CM at Risk Contract to PCL Construction Services, Inc. (hereafter "CM/Contractor"). CM/Contractor is responsible for bidding and awarding all subsequent subcontractor packages, including this package. The successful Subcontractor Bidder shall sign a Subcontract Agreement directly with CM/Contractor, and shall be bound by all the terms of the contract between University and CM/Contractor. Refer to the specification book dated November 2017, which contains the contract between University and CM/Contractor, attached to the subcontract bidding documents and incorporated by this reference.
