Sealed bids for a lump sum subcontract are invited from Doors, Frames, & Hardware subcontractors (hereinafter "Subcontractors") for the following work:

UCLA CHS SOUTH TOWER POST-OCCUPANCY IMPROVEMENTS (FLOORS 2-7) PHASE 2
Project Number 944005.02

DESCRIPTION OF WORK:

Renovation of four (4) lab modules in the CHS South Tower, located on floors two, five and seven and consisting of approximately 10,000 GSF total area.

The lab modules will provide lab support space including tissue culture rooms, procedure rooms, microscopy rooms, equipment rooms, computational laboratories and related lab support. The project will also relocate existing laboratory equipment, and procure and install new laboratory equipment.

The scope of work includes the procurement and installation of new laboratory equipment; coordination of existing lab equipment; assembly of demountable partitions by others; modifications to MEP and other building systems including fire protection and building automation; construction of new room partitions; provision of utility connections and data drops to support the program; and repairs and restoration of finishes impacted by the work.

The University has bid and awarded a CM at Risk Contract to Rudolph and Sletten, Inc. (LICENSE #198069) (hereafter "CM/Contractor"). CM/Contractor is responsible for bidding and awarding all subsequent subcontractor packages, including this package. The successful Subcontractor Bidder shall sign a Subcontract Agreement directly with CM/Contractor, and shall be bound by all the terms of the contract between University and CM/Contractor. Refer to Appendix D – R&S / University Prime Contract Documents which contains the contract between University and CM/Contractor, attached to the subcontract bidding documents and incorporated by this reference.

Bid Package 02 – Doors, Frames, & Hardware (this contract): This Bid Package consists of doors, frames, and hardware.

The estimated construction cost of this bid package is \$111,000
