ASPHALT UNIT PRICE JOB ORDER - FACILITIES MANAGEMENT 2021  
Project Number 6519317

DESCRIPTION OF WORK: The University seeks to hire a contractor to perform asphalt construction work on an "as needed" basis that will be delivered by Unit Price Job Order (UPJO), and occur on the UCLA Westwood campus as well as off-campus facilities owned by the University.

As described in more detail in the Bidding Documents, work under the UPJO will be limited to the following:

Asphalt construction work related to Minor Improvement Projects as well as work which includes repairs of, or alterations to, campus buildings, structures, or facilities to continue their usability at the designed level of service.

Each Job Order shall have at least 51% of the work within the advertised license classification specified herein. Work outside said license classification may be self-performed by Contractor when said work is considered incidental and supplemental to the performance of the work in the craft for which the specialty contractor is licensed and is essential to the accomplishment of the work in which the contractor is classified. In such cases, the value of said incidental and supplemental work shall not exceed 5% of the Job Order Sum. If the work outside the Contractor's license classification exceeds 5% of the Job Order Sum, then Contractor must either hold the appropriate additional specialty license classification or subcontract the work to an appropriately licensed subcontractor.

Refer to Exhibit 21 of the bidding documents for work excluded from this UPJO.

The total combined cost for all Job Orders issued will not exceed the Maximum Contract Value of $2,000,000.00 during the 1-year Base Term and $2,000,000.00 during each 1-year Option Term, if exercised by University.

When the work of a job consists only of the trade of this UPJO, the cost of any individual Job Order Authorization will be from $1,000.00 to $500,000.00.
