

ADVERTISEMENT FOR PREQUALIFICATION
(Site Concrete, Asphalt Paving, Striping, Excavation and Fill)
Addendum 01

Subject to conditions prescribed by the University of California, Los Angeles, responses to the CM/Contractor's prequalification documents for a lump sum contract are sought from prospective Site Concrete subcontractors (hereafter "subcontractors") for the following project:

Mid-Wilshire Medical Office Building Seismic and Program Improvements
Phase 2B – BP 32D - Site Concrete, Asphalt Paving, Striping, Excavation and Fill
Project Number 908736.01
UNIVERSITY OF CALIFORNIA, LOS ANGELES

PREQUALIFICATION OF PROSPECTIVE SUBCONTRACTORS: The CM / Contractor has determined that Site Concrete subcontractors who submit bids on this Bid Package must be prequalified.

Disclaimer – Prequalification Requirement

Subcontractors are hereby notified that this prequalification for the *UCLA Mid-Wilshire MOB Seismic and Program Improvement Phase 2B* project is a separate and distinct process from any prior phases. Subcontractors who are prequalified for Phase 2A are required to submit a new prequalification application for phase 2B.

Prequalification status for Phase 2A does not carry over, and will not be considered for Phase 2B. All interested subcontractors must complete and submit the Phase 2B prequalification documentation in accordance with the requirements and deadlines set forth in the project's solicitation documents.

Failure to complete the prequalification process for Phase 2B will result in disqualification from consideration for this phase of the Project.

LICENSE: Prequalified subcontractors will be required to have the following California contractor's license(s):

~~C-8 License (Concrete) and C-50 License (Reinforcing Steel)B- (General Building)~~

DESCRIPTION OF WORK:

Overall Description: The 5 story Medical Office Building (MOB) is located at 5901 West Olympic Boulevard, approximately 6 miles east of the UCLA Campus and is approximately 95,607 GSF. The proposed project would include seismic improvements on all floor levels and interior tenant improvements of approximately 34,000 GSF of space on floors 1-3. The MOB has a current Seismic Performance Rating of V. Upon completion of the work, the MOB would achieve a Seismic Performance Rating of IV or better and bring the facility into compliance with the UC Seismic Safety Policy.

The proposed seismic work will include the installation of approximately 52 seismic dampers placed at specified locations on the inside perimeter of the building's exterior walls. The dampers will be installed diagonally and attached at the bottom and top of the existing steel column bays requiring incidental fireproofing at beam and column modifications. Steel reinforcing plates will be added to existing steel beams and columns to support the installation of seismic damper brackets. Additional seismic reinforcing is required at the existing rooftop mechanical penthouse and at the building foundation at locations along the 1st floor seismic dampers.

In addition to the seismic work, work would also include partial restoration of interior building finishes impacted by the installation of the seismic braces. Limited MEP investigation and safe-off work is anticipated. Site and building accessibility improvements would include path of travel upgrades along the city sidewalk and building entrance, installation of new ADA handrails and guardrails at existing interior stairs. New accessible signage, restrooms and a drinking fountain are also anticipated.

The Anticipated Contract Value is \$39,100,000.

Bid Package 32D: Site Concrete, Asphalt Paving, Striping, Excavation and Fill:

The anticipated site concrete scope includes site concrete for footings, concrete walls, bollards, concrete pavement, ~~and~~ planter walls, asphalt paving, striping, excavation and fill work for outdoor recreational area and includes all work associated with revising the existing grade to proposed rough grade elevations, footing, and curb rough grade excavation.¶

Estimated Construction Cost for this Bid Package is ~~\$605,000~~ ~~\$475,000~~

PREQUALIFICATION SCHEDULE: On April 21st 2025, prequalification documents will be available to intending subcontractors online at Swinerton's public plan room, hosted via BuildingConnected at

<https://app.buildingconnected.com/projects/67f15aeb497c8a0032D41008/bid-packages>

Subcontractors will need to register for a free BuildingConnected account to access if they do not already have one. This prequalification opportunity is named as "UCLA Mid-Wilshire MOB Seismic and Program Improvements - Phase 2B - Prequalification" in BuildingConnected.

MANDATORY PREQUALIFICATION CONFERENCE: A Mandatory Prequalification Conference will be conducted on May 5, 2025 beginning promptly at 1 p.m. Only subcontractors who participate in the Conference in its entirety will be allowed to submit prequalification documents and, if prequalification is achieved, submit Bid Package bids to the CM / Contractor for this Bid Package.

Mandatory Prequalification Conference via Microsoft Teams: ~~The Two~~ mandatory Prequalification Conference~~s~~ will be conducted via Microsoft Teams and shall begin promptly at 1 p.m. Participants must log onto the Microsoft Teams meeting at or before 1 p.m. (See Microsoft Teams meeting instructions below.) Persons logging in later than said time will not be allowed to bid on this Bid Package. For further information, contact Swinerton's estimating team, Yohan Kwak (Yohan.Kwak@swinerton.com) and William Nutting (william.nutting@swinerton.com). ~~The second prequalification conference will be conducted on May 27th, 2025 beginning promptly at 1 p.m.~~

May 5, 2025, at 1 p.m. - Join Microsoft Teams Meeting:

opportunities with the University within the limits imposed by law or University policy. Each subcontractor may be required to show evidence of its equal employment opportunity policy. Subcontractors will be required to follow the nondiscrimination requirements set forth in the Bidding Documents and to pay prevailing wage at the location of the work.

In addition, the University is committed to promoting and increasing participation of small business enterprises (SBEs) and disabled veteran business enterprises (DVBES) relating to all goods and services covered under the awarded agreement, subject to any and all applicable obligations under state and federal law, and University policies. The awarded contractor shall make best efforts to provide qualified SBEs and DVBES with the maximum opportunity to participate. Please email ContractsAdministration@capnet.ucla.edu for further information.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Prequalified subcontractor shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$15 per hour) and shall comply with all applicable federal, state and local working condition requirements.
