

ADVERTISEMENT FOR PREQUALIFICATION
(Prime Contractor)

*****Modified per Addendum 1 & 2*****

Subject to conditions prescribed by the University of California, Los Angeles, responses to the University's prequalification documents for a CM @ Risk contract are sought from prospective prime contractor bidders (hereafter "bidders") for the following project:

RRUMC Nurse Call Replacement
Project Number 944108.01
UNIVERSITY OF CALIFORNIA, LOS ANGELES

PREQUALIFICATION OF PROSPECTIVE BIDDERS: The University has determined that bidders who submit bids on this project must be prequalified.

Prequalified bidders will be required to have the following California contractor's license(s):

B License (General Building)

GENERAL DESCRIPTION OF WORK: The project will replace the obsolete Rauland Responder IV nurse call system in the Ronald Reagan UCLA Medical Center (RRUMC). The project scope includes decommissioning of the existing Rauland Responder IV nurse call system throughout RRUMC, including disconnecting and removing Rauland nurse call buttons, consoles, and wall-mounted and bedside units; upgrades and modifications to the existing low-voltage electrical systems, including the installation of new receptacles, network cabling, conduits, and nurse call stations; installation of new Hill-Rom nurse call system components in patient rooms, bathrooms, hallways, and nurse stations, including new nurse call buttons near each patient bed, wall-mounted devices, consoles, display panels, and corridor and over-door lights; integration with other hospital systems, including alarm, paging and communication, electronic health records, and fire life safety systems; upgrade of communication consoles within individual distribution frame rooms; and testing and commissioning of all new Hill-Rom system components, including safety and compliance and backup power testing. Servers, handsets with pillow speaker buttons, and nurse call information technology software and hardware will be procured separately. There are staging impacts associated with this project. Sequencing will be completed by nursing unit and floor.

Estimated Construction Cost: \$16,278,000.

PREQUALIFICATION SCHEDULE: On October 1, 2025, prequalification documents will be available to intending bidders online at <https://www.uclaplanroom.com> and will be issued at no cost at:

~~3:00 p.m., October 23, 2025~~

NOTE: Only hard copy submittals or submittals uploaded to the UCLA Planroom website will be accepted. Oral, telephonic, electronic mail (e-mail), facsimile, or telegraphic Prequalification Questionnaires are invalid and will not be accepted. Only University's Prequalification Questionnaire (and associated documents) will be accepted. University reserves the right (but is not obligated) to request, receive, and evaluate supplemental information after the above time and date at its sole determination.

Any person or entity not satisfied with the outcome of the prequalification must file a writ challenging the outcome within 10 calendar days from the date of the University's written notice regarding prequalification determination. Any assertion that the outcome of the prequalification process was improper will not be a ground for a bid protest.

The dates, times, and location set for receiving and opening of bids will be set forth in an Advertisement for Bids.

The University reserves the right to reject any or all responses to Prequalification Questionnaires and to waive non-material irregularities in any response received.

All information submitted for prequalification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the Bidding Documents and to pay prevailing wage at the location of the work.

In addition, the University is committed to promoting and increasing participation of small business enterprises (SBEs) and disabled veteran business enterprises (DVBES) relating to all goods and services covered under the awarded agreement, subject to any and all applicable obligations under state and federal law, and University policies. The awarded contractor shall make best efforts to provide qualified SBEs and DVBES with the maximum opportunity to participate. Please email ContractsAdministration@capnet.ucla.edu for further information.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Prequalified Bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$15 per hour) and shall comply with all applicable federal, state and local working condition requirements.
